Full Stack Development

Odisha, India | [8018389108](tel:8018389108) | [toadityakumarsahoo@gmail.com](mailto:toadityakumarsahoo@gmail.com)

---

## Summary

Resourceful and results-driven Full Stack Developer with real-world internship experience and a robust command over Java, Python, and C++. Deeply grounded in Data Structures and Algorithms, capable of building optimized, high-performance systems. Specialized in developing dynamic web applications using a modern tech stack including HTML, CSS, JavaScript, React.js, Angular.js, Node.js, Express.js. Proficient in backend development with Spring Boot, Spring Core, and Spring AI, blending intelligent automation into scalable solutions. Strong knowledge of RESTful APIs, and Git for version control. A creative problem-solver with hands-on skills in graphic design and video editing, ensuring both functionality.
